WHO SAID STRONG CAN'T BE BEAUTIFUL?

With seemingly endless combinations of vibrant, versatile colors, patterns, and textures, Ralph Wilson diverse collection of high-performance, high style laminates helps you deliver truly inspired designs. Which means that no matter the job, whatever the challenge, your clients won't just get your best. They'll get ours, too.

WHERE GREAT DESIGN MEETS GREAT DESIGN SENSIBILITIES.

As a world-leading producer of decorative surfacing products, Ralph Wilson delivers a wide range of innovative laminate solutions and related services. With products designed to expand your inspirational horizons, Ralph Wilson takes pride in it's ability to both meet your special needs and exceed the expectations of your demanding clients.

Let your imagination run. We'll keep up. Ralph Wilson Custom Laminates

Custom laminates do more than add to your design, they help you realize countless possibilities. Whether it's a corporate identity, original artwork, or a theme environment, Ralph Wilson will help deliver the designs you need when you need them.

Because the best part of the cake is the icing. Ralph Wilson Decorative Edges

Available in laminate and solid wood, our Decorative Edges offer yet another technique to customize your environments. Choose from over 200 Ralph Wilson colors, patterns, and textures, as well as three sculpted molding styles. Stainable red oak or hard maple moldings are also available in beveled, square, or round edges. Whatever your needs, the result is a long-lasting surface that will leave an equally long-lasting impression.

We don't believe in being fragile. Performance Options

From fire to chemical resistance to high-traffic or vertical writing surface needs, Ralph Wilson Contract offers uniquely suited specialty surfaces that can handle the challenges of performance interiors. All of which not only deliver exceptional function, but also proven performance.

All Ralph Wilson Laminates are suitable for use in commercial and residential settings. Ralph Wilson has received independent SCS Certification of minimum 20% post-consumer recycled content, and GREENGUARD ® Indoor Air Quality and GREENGUARD ® Children & Schools Certifications from the GREENGUARD ® Environmental Institute under their standard for Low Emitting Products, which can assist you in earning LEED ® certification. Ralph Wilson Laminates have also received SCS Indoor Advantage ™ Gold Certification for further assurance (see certificate for product types). Ralph Wilson HD and most Ralph Wilson Premium Laminates are FSC-C022201.

For your convenience, most Ralph Wilson Laminates featured here are in stock and ready for immediate delivery from our distribution center.

RALPH WILSON CONTRACT LAMINATE

Designed specifically to meet the decor needs of commercial projects, this collection features colorways, finishes, and patterns that coordinate easily with the other materials you specify. All Premium Laminate designs also utilize AEON™ Enhanced Performance technology, which has been proven to dramatically outperform traditional laminate for wear and scuff resistance. And this year, we introduce our new Soft Grain, a dense, woodgrain structure that is low gloss and soft to the touch. Subtle highlights of reflectivity randomly occur within the embossed grains, creating a sophisticated raw wood look. The collection also boasts two celebrated textures: FineGrain, with the realistic feel of polished wood and Linearity, a finely striated texture that looks as good on metals as it does on woods. To confirm pattern availability and size/type/finish options, please go to www.ralph-wilson.com

RALPH WILSON® HOME COLLECTION

Inspired by today's popular granite, marble and quartz looks, these designs are richly dimensional, realistically textured and intrinsically practical. And like all Ralph Wilson Laminates, they meet or exceed the industry standards for both residential and commercial use.

RALPH WILSON HD designs are priced higher than standard and premium laminates. Not all designs are shown at 100% scale. Colors shown are printed reproductions.

For maximum fidelity, please request product samples. Optional finishes may be available by special order. Call your distributor for details.

PRODUCT REFERENCE CHART

BASIC	VERTICAL Type 335	POSTFORMING Type 350	GENERAL PURPOSE Type 107
Availability	Most colors and designs (check availability on ralph-wilson.com)		
Attributes	Costs less and can be postformed	Ideal for seamless bends/curves	Thickest and most impact resistant
Intended Uses	Cabinet doors, walls, and drawer panels	Counters, desktops, cabinet and drawer panels	Work surfaces, counters, desks, tables, doors

BASIC	RALPH WILSON HD HIGH DEFINITION LAMINATE Type 376
Availability	52 Designs
Attributes	Optical dimensionality plus increased wear resistance. Postformable. FSC Certified.
Intended Uses	Residential applications and many commercial applications including countertops, work surfaces, checkout counters, and tabletops

PERFORMANCE	CHEMSURF CHEMICAL-RESISTANT Type 390
Availability	Most colors and designs (check availability on wilsonartcontract.com)
Attributes	Postformable
Intended Uses	Laboratory casework and counters, hospital tabletops, photographic darkrooms, nurses' stations, physician and dentist examination rooms

PERFORMANCE	FIRE-RATED Type 604	FIRE-RATED Type 605	FIRE-RATED Type 607
Availability	Most colors and designs (check availability on wilsonartcontract.com) – Fire-Rated backers also available, Types 264 and 266		
Attributes	Class I, A fire rating – Not postformable		
Intended Uses	Casework and cabinets, interior doors, wainscoting, wall panels and dividers in areas such as airports, hospitals, office buildings, and schools		

PERFORMANCE	HIGH WEAR Type 335HW	HIGH WEAR Type 350HW	HIGH WEAR Type 107HW
Availability	Most colors and designs—solids and dark woodgrains may vary slightly, request lab samples		
Attributes	Enhanced abrasion/scuff resistance. Meets NEMA requirements for High-Wear Laminate. 335 and 350 are postformable		
Intended Uses	Checkout counters; restaurant, fast food, and bank fixtures; institutional furniture, countertops, wainscoting, and wall panels		

PERFORMANCE	MARKER BOARD Type 136	MARKER BOARD Type 336
Availability	1573 Frosty White, 4 x 8 and 4 x 12	
Attributes	Thickest and most impact resistant	Thinner, costs less
Intended Uses	Presentation areas, schools, conference rooms, planning centers and offices, children's furniture, nursery school and day care applications	

PERFORMANCE	CHALKBOARD Type 137
Availability	4623-60 – Graphite Nebula, 4627-60 – Hunter Nebula, 4 x 8 only
Attributes	Use with conventional chalkboard chalk
Intended Uses	Presentation areas, schools, conference rooms, planning centers and offices, children's furniture, nursery school and day care applications
