### Simple Sophistication - Coordinated Surfaces by Wilsonart.

Selecting multiple surface options for projects is a daunting task, and matching various products and finishes has turned low-pressure and high-pressure options into, quite simply, a lot of pressure. Until now.

Wilsonart® Coordinated Surfaces now offers our High-Pressure Laminate, Thermally-Fused Laminate Panels and Edgeband in over 200 matching woodgrains, solids and patterns. These convenient, best-matched collections are available in eight finish options to make specifying Coordinated Surfaces a breeze.

Simple, sophisticated surfacing - that's the ultimate easy.
