SUPERFICIES DE INGENIERÍA

Give your design some dimension...

Wilsonart® SOLICOR™ Laminate, a specialty laminate with a solid color core, lets you create visually crisp and stunning designs with no visible seams at the edges. This durable material with high performance characteristics and color throughout allows you the flexibility to produce even the most complex designs such as inlay effects and sharp edging detail.

Because SOLICOR™ provides continuous color, even on the edges of your finished project, it is the ideal product for desks, countertops, display cases, cabinetry, backsplashes and doors.

Add a little drama...

When your project needs a dramatic effect and sleek design, look to **Wilsonart™ SOLICOR™ Compact Laminate**; our thick and resilient solution for horizontal and vertical services. Perfect for countertops, furniture, fixtures, partitions and more, our SOLICOR™ Compact Laminate designs offer the same ease of fabrication as our standard Compact Laminate.

New never looked so good...

Designed all the way to the core, **Wilsonart® SOLICOR™** and **SOLICOR™ Compact Laminate** now adds fifteen new stunningly sensuous designs to the already comprehensive SOLICOR portfolio. Featuring our popular neutrals and playful range of color through decors, every design effortlessly enhances the aesthetic appeal of any project.
